Do you need help finding and keeping a job?

Getting into work, and staying there, can feel overwhelming. But you don't have to face it alone.

Connect to Work offers free, friendly support if you're disabled, have a health condition, or face other challenges with employment.

We offer friendly, **one-to-one coaching** that focuses on your strengths, and what matters to you most.

We'll match you with an **employment advisor** who'll work with you, helping you build confidence, set goals, and tackle the barriers that are holding you back.

Whether you're just starting out, or trying again, we'll help you take the next step.
